

WILLIAM KAMAU KAMUYU

SOFTWARE ENGINEER

Email: kamuyu.will@gmail.com

Address: Nairobi, Kenya

Phone: +254706020966

PROFILE SUMMARY

As a technical leader heading a strong and versatile software engineering team, I bring a wealth of experience in software development methodologies, programming languages, and emerging technologies. With a track record of leading successful software development projects, I am able to manage complex projects and prioritize tasks effectively to ensure timely delivery and meet quality standards.

TECHNICAL SKILLS SUMMARY

- ❖ React
- ❖ Javascript
- ❖ Node JS
- ❖ Typescript
- ❖ Flutter
- ❖ Laravel

- ❖ Angular
- ❖ HTML & CSS
- ❖ SQL
- ❖ MYSQL
- ❖ Linux
- ❖ Kubernetes

EDUCATION BACKGROUND

Bachelor of Science in Informatics.

STRATHMORE UNIVERSITY - NAIROBI, KENYA

PROFESSIONAL EXPERIENCE

GAPSTACK LIMITED – NAIROBI, KENYA.

AUGUST 2020 – CURRENT

LEAD SOFTWARE ENGINEER

- Planned, executed, and monitored the development process to ensure that platform was delivered on time and met required quality standards.
- Managed a team of 4 talented software engineers, provided guidance and direction, and ensured that they had necessary resources to carry out their work effectively.
- Worked collaboratively with stakeholders to resolve technical roadblocks.
- Cooperated with other engineers to design and develop scalable, maintainable, and efficient user interfaces in React.
- Participated in architecture design and implementation of back-end features.
- Developed a robust, scalable, modular and API-centric infrastructures.

BRCK – NAIROBI, KENYA.

NOVEMBER 2019 - JUNE 2020

FRONTEND ENGINEER

- Developed and implemented user interface components in React and Angular.
- Developed technical solutions required to accommodate specific user-facing assets.
- Translated UX and business requirements into elegant code solutions.
- Implemented changes and integrated requested elements to streamline business operations.
- Tested web-based product functionality and delivered iterations to customers.
- Collaborated closely with UX/UI designers to ensure that the application met the design specifications and provides a seamless user experience.

AJUA – NAIROBI, KENYA

NOVEMBER 2018 - NOVEMBER 2019

FRONTEND ENGINEER

- Discussed platform requirements with the Products team to produce actionable development plans.
- Implemented responsive user interfaces optimized for various screen sizes and devices according to the designs created by the UI/UX team.
- Worked with quality assurance teams to ensure that the platform met all quality standards.
- Optimized the platform performance by minimizing load times, reducing page weight, and using caching techniques.

CYTONN INVESTMENTS – NAIROBI, KENYA

AUGUST 2016 - NOVEMBER 2018

SOFTWARE ENGINEER

- Worked with software development and testing team members to design and develop robust solutions to meet client requirements for functionality, scalability, and performance.
- Built the company's website.
- Collaborated with other engineers to build the company's internal CRM platform.
